- 13 That this consent is valid subject to the fulfillment of all the other statutory requirement in other laws/acts/rules as applicable.
- 14 That all orders, directions, guidelines and standards laid down by the board from time to time shall be complied with.
- 15 That the industry shall not install any source of air pollution including D.G. Sets without obtaining prior Consent to Establish & Consent to Operate from the Board under the provision of Air (Prevention & Control of Pollution) Act'81.
- 16 That the unit shall obtain authorization under HWMR (2000) from the Board, if applicable.
- 17 That the unit shall obtain the registration CPCB for procurement of Hazardous waste, if applicable
- 18 That the unit shall produce maximum up to 100 Ton /Day as a product mix.
- 19 That the industry shall be submitted ambient air quality monitoring report within three month from issue of this letter.
- 20 Unit has deposited fee Rs 46875 for Ten year CTO fee and penalty fee.
- 21 That the unit shall produce maximum up to 100 M.T./Day as a product mix.
- 22 That the industry shall submit Ambient Air Quality Monitoring Report within 03 months from issue of this consent letter.
- 23 That, notwithstanding anything provided hereinabove, the State Board shall have power and reserves its right, as contained **under section 21(6) of the Air Act** to review anyone or all the conditions imposed here in above and to make such variation as it deemed fit for the purpose of **Air Act**.
- 24 That the grant of this **Consent to Operate** is issued from the environmental angle only, and does not absolve the project proponent from the other statutory obligations prescribed under any other law or any other instrument in force. The sole and complete responsibility to comply with the conditions laid down in all other laws for the time-being in force, rests with the industry/ unit/ project proponent.
- 25 That the grant of this **Consent to Operate** shall not, in any way, adversely affect or jeopardize the legal proceeding, if any, instituted in the past or that could be instituted against you by the State Board for violation of the provisions of the Act or the Rules made thereunder.

This **Consent to Operate** shall also be subject, besides the aforesaid specific conditions, to the general conditions given in the enclosed Annexure. The project proponent will comply with the provisions of the **Air Act** and to such other conditions as may, from time to time , be specified, by the State Board under the provisions of the aforesaid Act(s). Please note that,
